Pro

Waterguard+ Pro er markedets mest avanserte løsning, utviklet for leiligheter, eneboliger og næringsbygg.

Les mer om Pro

Sikker kuleventil med posisjonsovervåkning. 1-2 ventiler, 3/8"-1 1/4"

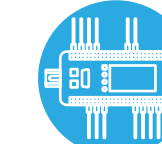

CAT-kabel mellom ventil og adapter – opptil 100 m

4G tilkobling gir trygg oppkobling for varslinger og styring fra app og portal

Støtte for kablede og trådløse vannsensorer

Kompatibel med BACnet og Modbus for SD-anlegg og styring.

NRF: 5648891

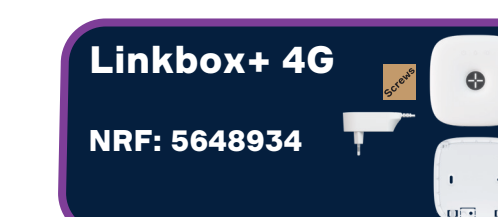

NRF: 5648892

NRF: 5648919

Kjente merkevarer, én plattform, full styring

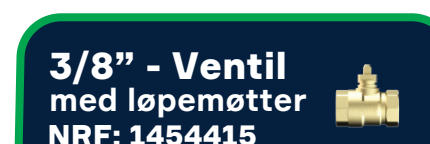

NRF: 5648934

Psssst...
Waterguard+ krever ikke app for hverken installasjon eller bruk, app er helt valgfritt!

Aktuator og kuleventiler

Adapter og Pro deler samme aktuator, ventiler og kabler. Adapter støtter to ventiler direkte – Linkbox+ krever kabelsplitter.
